Classification of Memberships

Equity membership in the Club is an opportunity to belong to a private golf, tennis, swimming and social club. As a member of equity, member-owned club, each Equity Member has ownership interest in the Club and is entitled to vote on matters affecting the Club, including the election of the Board of Directors of the Club. The Club offers six categories of Equity Membership: Full Membership, Sports Membership, Tennis Membership and Social Membership. Each category of membership provides certain privileges to use the Club facilities.

The membership entitles the member and his or her family to use the Club facilities in accordance with the membership category selected by the member. A member's immediate family shall include the member's spouse and their unmarried children under the age of twenty-three, who live at home or attend school on a full-time basis. The club reserves the right, from time to time, to limit the use of the golf and tennis facilities of the Club by the immediate family of a member during peak periods of play.
